There are scholarships ranging from \$500-1200 available for the trip to France in March 2024. Please comment in short paragraph how your family would benefit from financial aid.

Awards are based on need and merit. Students must be in good academic standing and families must be in good financial standing to receive scholarships. If your family is currently NOT receiving financial aid from Seabury, please be prepared to submit your tax return from the prior year to Seabury's accountant, Cris Denning.
