

Math Teacher

Bishop Seabury Academy is seeking a dynamic math teacher for the 2025-26 academic year. This individual will teach primarily Middle School courses (general math and algebra), but candidates may be asked to teach Upper School students as well.

Successful candidates should have deep knowledge of the subject, be passionate about teaching and energetically committed to working with young people, have genuine concern and ability to differentiate instruction and to help students master the subject matter despite different skill levels or ages, be confident integrating technology in the classroom, prioritize positive collegial interactions and collaborative relationships with other teachers, and possess excellent communication, organizational, and classroom management skills.

Candidates should have a minimum of a bachelor's degree and 3 years of successful teaching and directing experience. Preferred candidates will have an advanced degree and experience teaching in independent schools.

Applicants should email a resume and cover letter with contact information to employment@seaburyacademy.org. Applications will be reviewed as they are received.
