

Hello parents,

Thank you to everyone who took the Parent Education Night topic survey. Based on the feedback we received, we have registered the community for a 4-session series of parent education programs. Choose one or attend all four sessions! Additionally, we will host moderated, post-session debriefing discussions directly following each session to connect and discuss the topics discussed in the sessions.

The sessions meet on four consecutive Wednesdays with the first program going live this **Wednesday, February 17th from 6:30-7:30 via Zoom.**

Please check your email or contact Leslie McCaffrey at lesliemccaffrey@seaburyacademy.org for all the details and to register for sessions. **Space is limited so please register soon** to ensure your spot in the live virtual event(s).

Thanks!

Eliza, TiaEisha + the BSAP Programs Committee
