Community Service

Participating in community service is an important part of Seabury life. Service connects students to the local and global community. It creates a stronger personal identity and integrity, and it brings the student body together. Service projects also introduce students to important social issues and give them the chance to make a difference in society. Ideally, students who experience community service in school will continue to be involved in their communities as adults.

At the point of enrollment is when the community service hours start rolling.

For example:

School Year **2021-2022**

GRADE	HOURS EARNED
6th Grade	20 Hours
7th Grade	20 Hours
8th Grade	20 Hours
Total	60 Hours for Middle School
Freshman	30 Hours
Sophomore	30 Hours
Junior	30 hours
Senior	30 hours
	120 hours for High School

Students enrolled in Seabury at 6th grade and graduate in 12th grade will need to accumulate a minimum total of 180 hours **through the course** of their academic career. At whatever point a student enrolls is when the accumulation of hours begin.

The projects can be of the student's choosing and can include service work at Seabury, in Lawrence, or in the larger state, national, or international community. A project will count toward a student's community service hours **IF** the work is not for self-benefit, involves no payment to the student, and is not required by a teacher, parent, or other authority. The project must also be considered appropriate by the school's Service Coordinator (Margie Lawrence).

Students are encouraged to keep current with their community service hours, for no student will receive a diploma until his or her service obligations have been met.
Service hours need to be entered in a timely manner and <u>within the school term of service</u>.

Students and their parents should visit the Community Service link on Seabury's web site for more details and for frequently updated information about service opportunities.

Seabury Service Award given to a Seabury Senior who exemplifies what it means to "promote a sense of responsibility for self and respect for others as members of the community."

- Required amount of service hours upon graduation
- Has completed their senior service project and turned in their reflection
- Has shown leadership in service projects throughout their High School years at Seabury
- Has aided the Service coordinators in organizing projects
- Has been a leader in getting younger students involved in service

How Students can check their community service hours.

- Go to FACTS SIS (Renweb)
- Click on the three bars in the upper left-hand corner of the Home page
- Select Students.
- Click on your student's name.
- You will see a box on the right side of the page labeled "Service Hours".
- Click on Service Hours box
- On the next screen click the box that says "View All Years".

Entering Service Hours on the Seabury website:

1. Go to www.seaburyacademy.org for the website
2. In the right-hand corner click the 3 bars
3. Select Community Service (under Student Life)
4. Click on Community Service Form & Guidelines
5. Fill out the form and click *submit* at bottom of page.

See picture steps below - Entering hours

1. Go to www.seaburyacademy.org for the website

3.Under "Student Life" click Community Service

4. Click "Community Service Forms & Guidelines"

VISION, GUIDELINES, AND MORE

VISION

Part of the vision of Bishop Seabury Academy is "to promote a sense of responsibility for self and respect for others as members of the community." Seabury believes that community service is a crucial aspect of building this respect. Service connects every student to the local and global community, engenders a greater sense of identity and integrity, and unifies the student body. Furthermore, service projects introduce students to important social issues and give them the opportunity to participate and to create improvements in the greater society. Ideally, this continued and consistent service obligation will generate a positive orientation towards community involvement and a sense of civic responsibility.
