

Physics Teacher

Bishop Seabury Academy is seeking a dynamic Physics teacher for the 2022-23 academic year. Successful candidates should have deep knowledge of the subject; be passionate about teaching science and energetically committed to working with young people; have genuine concern and ability to differentiate instruction and to help students master the subject matter despite different skill levels or ages; be confident integrating technology in the teaching of physics; prioritize positive collegial interactions and collaborative relationships with other teachers; possess excellent communication and organizational skills.

Candidates should have a degree in science or in a related field and 3 years of successful teaching experience. Preferred candidates will have an advanced degree and experience teaching electives such as robotics, engineering, or other advanced courses.

Applicants should email a resume, cover letter, and reference list with contact information to Kara Schrader at karaschrader@seaburyacademy.org. Applications will be reviewed as they are received. No phone inquiries, please.
